

lifelong support
for those born
unable to swallow

Has your child been born unable to swallow? We're here to help.

- Join our community of parents, grandparents and adults born with OA/TOF
- Local support available from experienced parent volunteers (TLCs)
- Valuable resources, information and support
- Practical advice
- Research opportunities
- Events, opportunities to meet others

**Oesophageal Atresia,
Tracheo-Oesophageal Fistula
(OA/TOF)
and associated conditions**

Join online today: tofs.org.uk

Tel: 0115 961 3092 Email: info@tofs.org.uk

TOFS is here to support you.
Our TOFS Local Contacts
(TLCs) are volunteers, all with
children born with OA/TOF and
are available to talk. Visit
tofs.org.uk to request support.
